## LAY CORNERSTONE OF SCHOOL SUNDAY

Archbishop Bonzano to Direct Exercises for Holy Comforter Congregation.

Archbishop Bonzano, the papal delegate, will officiate tomorrow afternoon at 4 o'clock at the laying of the cornerstone of the new \$20,000 parochial school and hall, which the congregation of Holy Comforter Church is erecting at Fifteenth and East Capitol streets. The sermon will be preached by Mr. C. P. Thomas, pastor of St. Patrick's Church. The Rev. Clarence E. Wheeler, pastor of Holy Comforter, will be in charge of the exercises and will be assisted by the Rev. Louis C. Vaeth, assistant pastor. The Holy Name Society, with the other men of the parish; the Boy Scouts, and the Sunday school children will form a guard of honor to the papal delegate and will meet his automobile at Lincoln Park and conduct him to the rectory of Holy Comforter Church. The procession will be formed at the church, after Archbishop Bonzano has donned his official robes, and will march to the school, singing hymns. The quarantine of the boys of St. Mary's Industrial School of Baltimore will prevent the attendance of the boys' band at the ceremonies, as had been planned.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel! Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action. If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation—you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime. Thousands take them every night just to keep right. Try them. 15c and 30c.

## Do you wake up tired?

If you feel "lazy", listless, sleepy at the wrong time, it is a danger signal. Probably your vigor is being sapped by "self-poisoning".

Self-poisoning through constipation leads to the most dangerous diseases. When you allow constipation to take hold of your system, you are paving the way to the whole train of serious illnesses which follow.

Pills, castor oil, laxative waters and salts only force and irritate the bowels and make constipation a habit.

Nujol works on an entirely new principle.

Instead of forcing or irritating the system, it simply softens the food waste. This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.

Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

Nujol is absolutely harmless and pleasant to take. Try it.

Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger".
